

Hartland Mini Masters Tournament April 1 – 14, 2024

Who: YOU! Participation is limited to BID businesses only. Businesses will set up their own mini golf hole and become a stop in the tournament. No special hours needed, it can just be whenever you're open!

What: Our first annual mini-golf tournament with multiple holes and opportunities to play around Downtown Hartland. Participants will receive a card and get a punch/stamp at each hole they play. After they collect 9 stamps/punches they are entered to win a high-value prize. There will also be a "Birdie" prize for those completing 5 holes. Completed cards will be dropped off at either US Bank or Tabi's Lake Country.

Businesses will set up a mini golf hole however they choose! It can be a standard putting green, a tabletop set up if you're tight on space, it can even be a 5-gallon bucket or the gator golf game. Get creative! The BID has some putting cups available if needed. The BID will provide all promotional materials. The business is responsible for the club (which doesn't necessarily have to be a standard club!), the ball(s), and setting up the hole. There will also be a contest amongst the businesses where participants can vote on their favorite hole. The ultimate bragging rights!

Where: This promotion will take place in Downtown Hartland at participating BID businesses.

When: The Hartland Mini Masters tournament runs from April 1 – April 14th. You do not need to offer any special hours for this promotion, it can take place during your regular business hours. Entries must be submitted by April 13th. Tabi's Lake Country will be hosting a brunch party on April 14th with bloody marys and more and the prize drawing will be done then.

Why: Poker run style tournaments are extremely popular and help promote local businesses. It encourages patrons to visit multiple locations within our Downtown and maybe discover some new places they haven't frequented!

We are really excited to offer this new event and your participation is vital to its success! If you are interested in hosting a hole or have any questions, please email Kristyn at bid@downtownhartland.com.
